Meeting Motions / Actions and Summary of Discussions:

Town Manager, Mike Yunits met with engineers about LPS land

LPS did officially approve with permeable surface

Article 97 property does not apply – not town property

Attorneys working on the legal part - allowed by deed etc.

Looking for someone at Arrowhead development to sign off on some issues

Attorneys are looking at this – is more needed or is work for sewer line sufficient

To grant easement – residents want town to accept the street and take care of it. Arrowhead is 40B

State wants attorneys to recheck easement language.

Engineers getting ready to file with conservation

No design yet, just agreement on wetlands

May be a vernal pool near proposed parking by Crane and Hill Street

District 5 glad we are looking at parking.

Should have an engineering plan (25%) by the fall

Questions for future

1. In Mansfield – people call about clearing snow. Why clear it???
2. Do we want to take on role in Complete Streets and Safe Routes to Schools?
