Vote 2-0, Approved

New Business

The Board reviewed the monthly July 2015 report from Health Agent
The Board reviewed the monthly July 2015 report from Assistant Health Agent
The Board reviewed the monthly July 2015 report from Public Nurse
The Board reviewed the monthly July 2015 report from Animal Inspector

Next Meeting: The next schedule Board of Health meeting: September 14, 2015.

Open session for issues not anticipated: A discussion was held on the use of plastic covers and risers for septic tanks. Our current regulations states that a steel cover must be used. After the discussion, it was agreed that the plastic risers and covers are heavy duty and safe and as long as the original concrete cover remains in place there should be no reason not to allow them in the Town of Norton. This item will be placed on the September 14, 2015 agenda to be voted on.

Septic Plan Review: The Homeowner, Realtor and Representative from Septic Preservation, spoke on behalf of installing a White Knight Inoculator/Generator Alternative Treatment System at 5 Bullock Drive in Norton. Before the Board can approve the plans, they must first meet all requirements of the Massachusetts DEP approval for Remedial Use letter, Pursuant to Title, 310 CMR 15.000 (attached)
