New Business:

An informal discussion was held regarding new project for the Wading River Estates. Health agent showed septic design plan that calls for all units to have their own tank and pump chamber pumping up to 2 larger pump chambers going into field. Health agent has concerns about each of the 37 units pumping to large pump chambers specifically if power is lost. Also, there is no back-up generator. The Health Agent told board that he had meeting with the engineers and told them his concerns. Engineers are going to see if a re-design can be done.

9 Teepee Trail. Homeowner bought the property, the sewer line is available but water line is not up to his property. The cost & conditions that the water department is requiring is to bring up the line and is too much and he is requesting to put in a well. Because of wetlands, they need a variance. After discussion, Ms. Battistello motioned to accept variance of the proposed well at 9 Teepee Trail, Mr. Medeiros 2nd Vote 3-0 Approved

A discussion was held regarding the appointment of the Western Bristol County Tobacco Control Agent for fiscal year 2023.
