MINUTES

Members reviewed the draft Bills Payable sheet. Leonard Silvia made a motion, seconded by Earl Willcott, to approve the payment of bills as submitted. Approved.

Members reviewed the draft minutes of the December 28th meeting. Leonard Silvia made a motion, seconded by Mark Gaboury, to accept the minutes as presented. Approved.

Ken Wagner of Baystate Environmental Consultants presented an update of the Norton Reservoir diagnostic/feasibility study.

The Conservation Director reported that the applicant for Lot 89, Eileen Road, Angelo Pasqualino, has requested that the review of that proposed project be continued to January 25, 1993 at 8:00 p.m. Leonard Silvia made a motion, seconded by Earl Willcott, to continue the public review to that date and time. Bob Medeiros abstained from voting. Approved.

Members reviewed a proposed change to the approved plan for #250-307, Jackson Street. The change involves down-sizing the proposed house, reducing the limit of grading near the wetland, and the installation of a private well. Earl Willcott made a motion, seconded by Leonard Silvia, to approve the change. Approved.

The Conservation Director reported that representatives of D.E.P. conducted a site walk on the Oliveria property on January 5th and indicated verbally that they will require the Oliverias to comply with the orders of the Conservation Commission regarding the wetland restoration at 125 Oak Street.

Members re-signed the Order of Conditions for #250-268, 131 King Philip Road, because the current owner needs an original signature page to record at the Registry of Deeds and the original document is not available from the applicant.

Meeting adjourned at 9:00 p.m.
