Members reviewed the draft job advertisement for the position of Conservation Director. Julian Kadish made a motion, seconded by Bob Medeiros, to accept the draft with a resume submittal deadline of June 14, 1995. Approved. Bob Medeiros made a motion, seconded by Mark Gaboury, to fax the advertisement to MACC for publication in their newsletter if possible. Approved.

Members discussed hiring Kathy Romero on a consultant basis, after she leaves the position of Conservation Director, to work a few hours during the next few weeks to process applications until a replacement person is found. Ms. Romero said she would be glad to do that as long as the work does not create a conflict of interest and that she would check with the Ethics Commission for an opinion. Mark Gaboury made a motion, seconded by Bob Medeiros, to make arrangements to hire Ms. Romero on a consulting basis as long as a conflict of interest will not exist. Approved.
