Minutes-----October 4, 1993

The Finance Committee convened at 6:45 in the Middle School Cafeteria. Present were Philip Zawasky, Chair, Tom DeLuca, William Gouveia, Paul Helmreich, *DONNA SUMMERFIELD, JACKIE DESROCHERS,*

At the request of the Chair, William Gouveia moved and Tom De Luca seconded reconsideration of Article 13 of the Special Town Meeting warrant. Voted unanimously.

The Moderator advised the Committee that he was prepared to rule that part of Article 13 that dealt with appropriating funds to the Miscellaneous 1-940-570 account and the amounts to be proposed to various salary accounts* as out of order, due to the fact that these accounts had not been listed in the warrant when it was originally published. He stated that he had consulted with Town Counsel regarding that.

Bill Gouveia moved and Tom DeLuca seconded that the Committee delete these items from the article it proposed to move (Article 13). The Committee approved this change unanimously.

At the request of the Chair the Committee voted to take Article 7 of the Special Town Meeting Warrant off the table. This was unanimously voted.

Bill Gouveia moved and Tom DeLuca seconded that the Committee recommend No Action on this article because it had not received the information regarding this matter than it had requested from Town Counsel. The Committee supported this recommendation unanimously.

The Committee adjourned at 7:15 pm

Respectfully submitted
