Nicolas stated that as Chairman of the Finance Committee he will exercise his right to vote on all the issues. The area in which the committee may see the biggest change is during budget hearings for the Annual Town Meeting. He would like to take votes on the budgets that are being discussed during a meeting while everything is fresh in the committee's minds. Make votes the same night as they listen to the department -- this way everything is fresh and the department will know where they stand with the Finance Committee.

A project that Nicolas would like to start work on is the five year projections for the school department as to whether or not a new school will have to be built.

The next scheduled meeting will be on Wednesday, September 7, 1994, at 7:30 p.m. in the Selectmen's Meeting Room.
