### *Meeting Motions / Actions and Summary of Discussions:*

J. Slattery facilitated a presentation on the Town Hall and Community Center Feasibility Studies with assistance from Selectman R. Kimball, Town Manager M. Yunits, COA Director B. Rossi and Committee Member D. O'Brien. M. Viveiros from DBVW Architects presented the process and recommendations on the Town Hall Feasibility Study and J. Bargmann from Bargmann Hendrie + Archetype, Inc. presented the process and recommendations on the Community Center Feasibility Center. At the conclusion of the presentation questions were taken from the public.

General concerns expressed by the public during the question and answer period included:

- Desire for sidewalks along Elm Street, preferably from East Main Street to Reservoir Street
- Desire for lighting within the project limits
- Desire for a traffic impact study to determine traffic impacts along Elm Street
- Desire for the a master visioning plan for the Town to assess, prioritize and program all the needs of the Town
- General support for the buildings and recognition that the existing buildings are not functional to need the current or future needs of the Town
- General concern over the cost of the two buildings and impact to property taxes
