

BOARD OF WATER/SEWER COMMISSIONERS
166 John Scott Blvd., Norton, MA 02766
October 27, 2015

RECEIVED
NORTON TOWN CLERK
2015 NOV 12 A 9:02

6:30pm. Meeting called to order. Commissioners Diane McElligott, Steve Bishop and Luke Grant present. Also present Bernie Marshall, Rose Melito, Fran Yanuskiewicz and Barbara Cook.

Turtle Crossing: Cancelled

Weston & Sampson: Barbara Cook addressed the Board with an update on the Water Treatment Facility. Alternative sites were discussed as well as options of the existing site. Alternative sites discussed would increase the project cost by three million dollars and up to an additional two years to complete. After much discussion it was agreed Barbara needed to contact PAL to discuss options and pricing.

Fran stated the Center Sewer Project bid opening was scheduled for October 29, 2015 at 11:00am here at the water department office.

Fran informed the Board of language changes Kopelman & Paige was making to the Construction Services Agreement and that he was not comfortable with them. The changes are more technical than legal and that could pose a problem. He said he would contact Kopelman & Paige directly.

Superintendent Updates: Mr. Marshall informed the Board of a request from a previous Keith Drive homeowner who is asking for a refund for a sewer permit paid in June 2015 prior to the sale of her home. Her request is based on the vote taken at last month's Town Meeting regarding Mandatory Sewer Connections. After some discussion the Board directed Mr. Marshall to contact the woman and explain why the Board is unable to refund her the sewer permit fee.

Michael Maloney is the new hire starting Monday November 2, 2015.

New England Ice Cream is proposing to build a complex on Mansfield Avenue (Campanelli land).

The fall hydrant flushing is continuing and should be complete in 2-3 weeks.

Minutes: The minutes of the October 13, 2015 and October 19, 2015 Board Meetings were read, approved and signed as submitted.

All appropriately processed bills were signed and correspondence was read.

Next meeting November 10, 2015 at 6:30pm.

Meeting adjourned 9:30pm.
