Meeting Motions / Actions and Summary of Discussions:

1. There was discussion about the second panel for the Rail Trail. It will be near Hill Street and there will be a bench close by.
2. The cost for the design of the panels is \$5000. The town will pay for this.
3. Kiosks (7) will have glass doors with keys. There was discussion about who would maintain the kiosks. It is hoped that the Friends of the Rail Trail will do this. The kiosks will have maps and information about the trail.
4. There was discussion about photos for the panel near the old train station. The photos need to be high resolution (250 to 300 dpi). Linda Kollett will contact the Norton Historical Society for permission to use their photos. It was suggested that Linda should contact the Old Colony History Museum (Historical Society) for pictures.
5. Kathy Ebert-Zawasky will edit the text for the sign near Hill Street and send it to Karen
6. Karen will send all of the sign information to Matt Shute at BETA
7. Karen will set the next meeting date to discuss and preview panel information.
