Meeting Minutes
Executive Session
August 23, 2018**

Meeting called to order at 8:10 P.M.

Present: Robert Kimball, Michael Flaherty, Mary Steele, Michael Yunits,
Officer Kevin Schleicher

Mr. Yunits explained the reason for the discussion is to amend the current contract to set a flat detail rate. Today the rate is according to the pay rate of the officer doing the duty.

Mr. Kimball – This will keep things straight and clear for contractors.

Mr. Flaherty – Will Superior Officers follow this?

Mr. Yunits – No they are a separate union.

Ms. Steele – What are you getting?

Kevin Schleicher – We are looking for a Day of Detail clause. When someone requests a detail on the same day, we want to receive 8 hours minimum pay. We understand there are emergencies and this won't apply when it is an emergency or for town details. We also want to receive pay to the end of the scheduled time requested when a detail is scheduled after the start time.

Mr. Yunits – The Union was looking for \$5.00 per hour more for TPC & Wheaton but they pulled this request.

Officer Schleicher – The only one we want to keep is the \$5.00 extra for details where alcohol is served.

Mr. Kimball – The reason for the \$5.00 extra for details where alcohol is served is the extra demands that may develop in these situations.
