Minutes

Members reviewed and approved the payment of bills as presented.

Members reviewed and approved the draft minutes of January 14, 1992.

The pre-bid meeting was held for the weed harvester bid package. No potential bidders attended.

James Feeney appeared before the Commission, at his request, to discuss his proposed project on Burt Street. Members reiterated that Mr. Feeney must wait out the adjudicatory hearing process or ask D.E.P. to issue a Certificate of Compliance and refile with new information which meets the Commission's concerns (outlined in the denial).

Members tabled requests for Certificates of Compliance for lots 11, 12, and 14 Straw Stone Lane. The soils are not yet adequately stabilized.

Members issued one-year Extension Permits for Det. #100, #250-192, #250-213, and #250-214.

Members reviewed a request for a Partial Certificate of Compliance for lot 99, Margaret Drive. The document will be issued after the applicant posts a \$500.00 bond with the Norton Town Treasurer to ensure final vegetative stabilization of exposed soils on this lot. Bob Medeiros abstained from voting.

Meeting adjourned at 8:05 p.m.
