FRIEND'S BUSINESS:

We will consider initiating a specific day for payments to be collected for future trips and any of the Friend's fees for their future activities. A specific worker/friend/volunteer would be

added to accomplish this feat. This would hopefully eliminate the confusion at the volunteers desk.

The Friends have agreed to fund new lighting for the back parking lot. Beth will investigate the best cost and companies involved.

DIRECTOR'S REPORT:

We are all being reminded to sign in whenever we enter the Center for exercises, events, meetings or just socializing. The statistics are necessary for applying for grants and building a new Center.

Many future events are in the planning stages.

We are still in the process of obtaining everyone's emergency phone numbers.

We discussed many aspects of informing and assisting the elderly and needy in times of emergencies.
