Discussion of Grant Recipient Reception:

Our preferred date for this year's Grant Recipient Reception is Thursday, May 30 from 6:30-8:00 p.m. in the Norton Public Library. This date and time has been confirmed with the library. In order to increase awareness of the NCC, we will sponsor an art exhibition for Norton children in Grades K – 5 to be held in conjunction with the reception. There will be no entry fee, but we encourage optional donations at the door as a way of increasing funds available for future allocation. There will be no judging of work. However, we discussed awarding one of the entrants a gift card to Michael's based on lottery. Rowena, Naomi, and Terri will contact the manager at Michael's about contributing a gift certificate. Entry forms for the exhibition will be distributed by art teachers at the schools, and will also be available at the Library. Space permitting, artwork will be dropped off at the Library at designated times and picked up there after the reception.
