### *Summary of Discussions:*

Joanne reported that there are nine unpaid grants from the last cycle, but some events have still not taken place. Last year we had \$4770 available to allocate. This year we have \$5490.

There followed a discussion of a fundraising event in conjunction with the reception for the coming year's grant recipients. Rowena suggested Chalk Art to be held in the library parking lot in conjunction with the art show in the library and a music performance by kids in the gazebo. There would have to be a rain date. We would need to design a registration form. Naomi suggested a \$10 entry fee that would include supplies. Rowena will look into ordering supplies on line.

The upcoming grant cycle will be announced in the following media: cable T.V (Naomi will contact), *Norton Patch* (Naomi), *Sun Chronicle* (Rowena), *Norton Mirror* (Rowena), and *Taunton Gazette* (Rowena). Grants must be postmarked by October 15. Joanne will pick up grants and number them for distribution at our next meeting.

Ann will contact Megan Wheaton-Book who is interested in joining the NCC.

Our next meeting will be held on Monday, October 28 at 7:30.

Meeting was adjourned at 8:20 p.m.
