Generator Ribbon Cutting & Resident Community Activities Cookout:

I welcomed all to the debut of the NHA 60KW Diesel Kohler Generator. I introduced the Board of Commissioners, Representative Jay Barrows, Senator Jim Timilty and John Grady from DHCD and commended all on their efforts to make this possible for the Community room. We now have power for the entire community room, septic pumps and a few site lollipop lights during power outages.

We also awarded prizes to the three ladies who had the highest attendance for the community room activities during June, July & August. The 3rd winner was B. Binns, 2nd winner was M. Dashner, & winner was M. Yates. The community room events continue to grow in offerings and attendance.

We served hamburgers, hot dogs, macaroni salad, chips and beverages from Poland Springs.

Respectfully submitted,
