#### Items Discussed

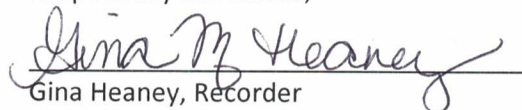

1. Acceptance of Minutes from October 11, 2018.
2. PBIS (Positive Behavioral Intervention & Supports) Program. Students will learn expectations of being responsible, respectful and safe. Students will be encouraged to practice those expectations. "Caught-ya" tickets will be awarded to students meeting the expectations, with an explanation as to why the ticket was given. A letter will be sent home to parents with the first term's report cards.
3. Social Emotional Learning (SEL). The district's goal is to increase social emotional learning. JCS will incorporate these topics into daily lessons. This will be an area of the school improvement plan.
4. Response to Intervention (RTI): JCS will begin with daily 30-minute sessions where students are grouped according to needs by grade level. This will allow for enrichment or extra help in focus areas. The November JCS Bulletin will include information on this topic. The progress of this program will be assessed in January 2019.
5. Parent Survey: Potential questions for the parent survey were discussed. These responses will lead into the school improvement plan.
