Open space plan update**Copies of cds to distribute**

Jennifer notified everyone that the final approval letter from DCR was received. The plan is now valid until 2017. Jennifer passed out revised pages for section 7 and the planning board support letter that were omitted from the originals. She said that Nancy Durfee is still working on the cds but they should be available shortly, maybe next week.

Calendar of events

Prepare for Letterboxing in Sept. and Fall Foliage/plant search scavenger hunt in Oct. Members discussed the Woodward Woods set of clues for the letterboxing event. Jennifer will send copies of those clues with the agenda for the next meeting. We discussed the stamps that Sue donated for us to use in the event. For the fall foliage event, members would like to see the name and a picture of the item for the scavenger hunt cards. Jennifer will start drafting those similar to the cards used for the wildlife scavenger hunt at Johnson Acres.
