Agenda Item	Decision/Action/Plan
1. School Report <ul style="list-style-type: none">Activities and EventsUpdate Budget CycleProgram of Studies	Minutes of the December Site Council Meeting were approved. The budget has been submitted to the Superintendent and business manager for their review. We will hear soon what items were approved to move forward. The creation of a computer science teacher was a priority in order to support the NHS's school improvement plan. The Academic Coordinators are working to update the program of studies. They will remove any classes not being offered in the upcoming year. New courses will be added pending approval from site council and school committee
2. New Course Proposals	H. Level Environment course was presented and unanimously approved. This course would be required before AP Environment and would be largely cross-curricular
3. Member Concerns	None at this time
4. Topics for Next Meeting	Update to the Site Council on the progress of the scheduling committee.
