- Everyone will be placed on mute at the beginning of the meeting as you sign in but you should be able to hear. We will unmute you when we reach the public question and answer portion of our meeting.
- 4. If, for some reason, neither option is working for you, you can email the Conservation Commission at conservation@nortonmaus.com to ask your questions. We will read your email address, name and comments into the public record.
- 5. The standard procedure for a public hearing is a presentation by the applicant's representative, questions and comments by the Conservation Commission and Director, then opening questions and comments to the abutters. Please be patient and wait for your turn to participate.
- 6. If there are no additional questions by the Conservation Commission or Director, the hearing would typically close; however, to ensure adequate opportunity for public participation, those specific hearings will be continued until the next meeting. This will be announced. You will have until the next meeting to provide your comments and questions before the Commission closes the hearing and makes a decision.
