- If you cannot hear, you may need to phone in by calling 1-646-558-8656, same meeting ID and password as above. If it asks for a participant id you can just hit #. Please put your phone on mute until the Chairman asks for your comments.

3. If, for some reason, neither option is working for you, you can email the Conservation Commission at [conservation@nortonmaus.com](mailto:conservation@nortonmaus.com) to ask your questions. We will read your email address, name and comments into the public record.
  4. The standard procedure for a public hearing is a presentation by the applicant's representative, questions and comments by the Conservation Commission and Director, then opening questions and comments to the abutters. Please be patient and wait for your turn to participate.
  5. If there are no additional questions by the Conservation Commission or Director, the hearing would typically close; however, to ensure adequate opportunity for public participation, those specific hearings will be continued until the next meeting. This will be announced. You will have until the next meeting to provide your comments and questions before the Commission closes the hearing and makes a decision.
