GREATER ATTLEBORO/TAUNTON HOME CONSORTIUM

HOME PROGRAM

PUBLIC OUTREACH MEETINGS

Please join us to discuss how the Greater Attleboro/Taunton HOME Consortium (GATHC) should spend the federal funding that it will receive as a Participating Jurisdiction in Program Year 2018 from the U.S. Department of Housing and Urban Development (HUD) under the **HOME Investment Partnerships Program (HOME)**.

Taunton's Office of Economic and Community Development (OECD), as the lead agency for the GATHC, will host these meetings and briefly explain the guidelines of the HOME Program. Participants will have the opportunity to discuss ideas and proposals, and make suggestions on how those federal funds can most effectively be used to serve the housing needs of the region's low and moderate income residents and neighborhoods. Applications for funding proposals will be made available at these meetings and through the OECD following the meetings.
