Jason explained the number of bulbs needed and various location he installed them. NMC replaced several lights in the common area which was discussed. It was decided this issue will be brought to the landlord’s attention so that NMC does not have to paid for this expense in the future.

There is a 3% increase in expense over last year at this time. A few areas that were pointed out were, cleaning expense. This is do to the high use of the studio from the community which is viewed as a positive impact for NMC. Another item that was pointed out was rental equipment.
