

Draft Article D:

Adoption of Re-Numbered Zoning Bylaw -Spring Town Meeting 2018

To see if the Town will vote to amend the General and Zoning Bylaws by making non-substantive, ministerial amendments for the purpose of recodifying the General and Zoning Bylaws to create a more uniform presentation, organized topical structure, reader-friendly and convenient format for inserting future amendments, including renumbered outline format, insertion of headings and subheadings, providing for consistency with Massachusetts General Laws and internally with regard to spelling and use of various words, and updating references to existing Town offices and bodies; and Further, to amend the General Bylaws to insert the following new bylaw:

Headings and Numbering; Authority for Town Clerk to Assign Alphanumeric References and Correct Internal Cross References:

The headings and section numbers that appear in this Bylaw are for convenience only and shall not be interpreted to limit or otherwise affect the provisions of article or section to which they refer. With the approval of the Town Manager, the Town Clerk may assign appropriate alphanumeric references to chapters, articles, sections, subsections, paragraphs, and subparagraphs of the General and Zoning Bylaws, and may correct internal cross-references, and, in each case in which Town Meeting has assigned an alphanumeric reference, the assignment of such references or the making of such corrections as authorized under this bylaw shall be identified by a footnote or functionally similar editorial convention.

or take any other action relative thereto.
