The Fall Annual Town Meeting was called to order by Moderator William A. Gouveia at 7:04 PM at the Norton High School Auditorium. He called a 10 minute recess to allow the people who are in line at the door time to be checked into the meeting. The Moderator called the meeting back into order at 7:14pm. The Moderator asked for a moment of silence in honor of Gay Rounds, longtime Norton resident who passed away this past week. He led the crowd in the Pledge of Allegiance. The Moderator thanked the Town Clerk, Board of Selectman, Town Manager and all others who work in preparation of Town Meeting. The Moderator recognized State Representative Jay Barrows in the audience.

The Moderator reviewed some pre-meeting rules:

- I ask everyone to please find a seat for this meeting.
- If you are not a registered voter in the Town of Norton, you are welcome to visit but you must sit in the appropriate section. If you are registered voter, please sit anywhere else, because your vote will not be counted if you are sitting in the non-voting section.
- If you wish to address this meeting, you must do so only after being recognized by the Moderator. There is a microphone located in the back and one in the front. When speaking, please identify yourself by name and address for the record. Please try and keep your remarks brief and to the point, and confine them only to the matter under consideration at the time.
- All speakers at this meeting will be treated with courtesy by the Moderator and everyone else in the room. No speaker will be allowed to use the meeting for personal attacks on any individual. All remarks will be directed towards the Moderator, and although questions to be asked of individuals will be allowed, cross-examination type discussions from the floor will not be allowed.
- In recognizing people to speak, the Moderator will call upon those who have not yet spoken on a topic before recognizing those who have already spoken. The Moderator will recognize motions to move the question, but if in the Moderator’s opinion there are still people waiting to speak who may add to the discussion, the Moderator will exercise his authority to not accept a motion to move the question under those circumstances.
- If a standing vote is required, you will be instructed to stand at your seats until your vote is counted. If a ballot vote is required, you will be given instructions by the Moderator as to how to proceed.
- If you wish to make an amendment to any motion, you must do so in writing and present it to the Moderator.
- I remind you all that no motion to reconsider any article will be accepted by the Moderator until at least three articles following the article being reconsidered have been acted upon by this meeting. If the article is one of the last three on the warrant, I will accept any motions to reconsider them prior to adjourning.
- There may be requests this evening to allow non-residents to speak on certain articles. This must be done by a Motion voted upon by this meeting. While it is the right and the decision of the meeting to allow or not allow non-residents to speak, please keep in mind they may have information to add to the discussion.

The Town Clerk read the call and return of service as written in the warrant.

ARTICLE 21 (Requires 2/3 Vote)

Motion was made by Stephen Evans, Chairman of the Finance Committee, that the Town vote to amend the Norton Zoning Bylaws, making the following bolded and underlined additions to the Zoning Bylaws as shown on the screen during town meeting:

ARTICLE 21 as shown on the screen during town meeting:

By adding a new category in Article IV, Section 4.5 as follows:

<table>
<thead>
<tr>
<th>Digital/Electronic Billboard</th>
<th>R 80</th>
<th>R 60</th>
<th>R 40</th>
<th>VC</th>
<th>C</th>

And by adding the following new definition which reads as follows:

Digital/Electronic Billboard. An electronic message display utilizing light emitting diodes (LEDs), plasma or other technology that present static or multiple static advertisements on a rotating basis, free standing, which does not advertise a business or profession conducted, a service offered or a commodity sold upon the premises where such sign is located, and which is subjected to the rules and regulations of the Massachusetts Department of Transportation Office of Outdoor Advertising.

And by adding the following new language (bolded and underlined below) to Section 8.4.1(h):

8.4.1(h) Off Premises Signs – Only signs pertaining exclusively to the premises on which they are located or to products, accommodations, services or activities on the premises shall be allowed, except the following may be allowed: (I) an off-premises directional sign designating the route to an establishment not on the street to which the sign is oriented may be erected and maintained within the public right-of-way at any intersection or on private property if granted a Special Permit by the Board.
of Appeals, and (2) Digital/Electronic Billboards in the “Industrial” Zoning District if granted a Special Permit by the Planning Board under Section 8.4.4(b).

No **directional** sign shall be authorized except upon the authorizing agency’s determination that such sign will promote the public interest, will not endanger the public safety and will be of such size, location and design as will not be detrimental to the neighborhood. At locations where directions to more than one (1) establishment are to be provided, all such directional information shall be incorporated into a single structure. All such directional signs shall be unlighted and each shall be not over four (4) square feet in area.

And by adding a new paragraph to Section 8.4.4(b) as follows:

**In the “Industrial” Zoning District, Digital/Electronic Billboards may be erected and maintained if granted a Special Permit by the Planning Board provided that it shall not exceed more than seventy (70) feet in height and shall not exceed a fourteen foot (14’) by forty-eight foot (48’) face area. A Digital/Electronic Billboard shall not be erected except on a lot with conforming lot area and frontage or on any other lot with at least ten-thousand square feet of vacant lot area and one-hundred and twenty (120) feet of frontage and must be erected within five hundred (500) feet of Interstate 495. The minimum distance shall be five hundred (500) feet from any residential structure. A Digital/Electronic Billboard visible to a major artery/highway shall contain the name and address of the user of the property. No Digital/Electronic Billboard shall be erected within one thousand (1000) linear feet of another and only one Digital/Electronic Billboard shall be permitted per lot. No Digital/Electronic Billboard shall be erected if the Special Permit Granting Authority determines that it will obstruct a view of scenic beauty and interest or a place of historic interest. No Billboard shall be located upon another structure. The Planning Board may only issue a Special Permit upon a finding that the Billboard shall not endanger the public safety or be detrimental to the neighborhood or constitute a nuisance to any abutting uses or to any nearby residential uses by virtue of its size, dimension, location, design, construction, illumination, or visibility, that sufficient utilities, servicing and maintenance of the Billboard can be provided, and that adequate provisions, by way of security, are provided in the event that the Billboard is decommissioned so that its removal is ensured and timely.**

Joanne Haracz, Chairman of the Planning Board reported that the Planning Board meet on this article on October 13, 2015 and voted 3 – 4 NOT in favor of recommending Article 21. She also reported that the Planning Board also voted 7-0 in favor of recommended changes from the Board of Selectmen original article and what was moved on town meeting floor.
