

CHAPTER 4

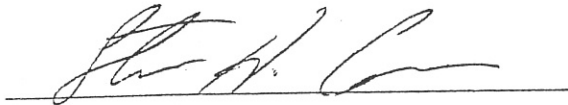

FLOOR DRAINS

---

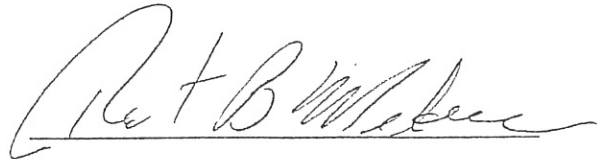

- 4 **Adoption of State Standards** The Town of Norton Board of Health adopts the requirements of 314 CMR 18.00 Industrial Wastewater Holding Tanks & Containers and 310 CMR 30.000: Massachusetts Hazardous Waste Regulations pursuant to authorization granted by MGL Chapter 111§ 31 and § 122. The Regulations shall apply to all applicable facilities, existing and new, within the Town of Norton.
- 4.1 **Purpose** The Purpose of this section is to prevent or eliminate the discharge of hazardous waste or non-hazardous industrial wastewater to floor drains in industrial and commercial facilities unless those drains are connected to storage or disposal systems designed, constructed and permitted in accordance with 314 CMR 18.00 Industrial Wastewater Holding Tanks & Containers and 310 CMR 30.000: Massachusetts Hazardous Waste Regulations.
- 4.2 **Violations** Failure to comply with provisions of this Regulation will result in the levy of fines of not less than \$100.00, but not more than \$1,000.00. Each day's failure to comply with the provisions of this Regulation shall constitute a separate violation.
