All “marijuana establishments,” as defined in Article II, Definitions, shall require Site Plan Approval, including those with less than 2,500 square feet and/or less than 10 parking spaces that would otherwise be exempt from Site Plan Review. All site plan applications submitted for marijuana establishments under this section shall include all documents submitted to the Cannabis Control Commission for state licensing of the marijuana establishment and the site plan review shall include review of the site plan’s satisfaction of the standards established by the Cannabis Control Commission Regulations 935 CMR 500.00, et seq.
