A qualified health club is:

To receive the fitness reimbursement for a qualified pay-as-you-go health club, get paid receipts from the club for your records.

What doesn’t qualify?
You can’t receive the fitness reimbursement for expenses for personal training, lessons, coaching, equipment, clothing, or any of the clubs below:
- Martial arts or yoga centers
- Gymnastics, tennis, aerobic, or pool-only facilities
- Country clubs or social clubs
- Sports teams or leagues

Important Information
- The reimbursement is for each individual (or family) health plan and can only be submitted once each calendar year.
- Keep copies of all your paperwork and proof of payment in case you are denied reimbursement. Proof of payment includes the following:
  - Itemized, dated, paid receipts from your health club
  - Bank or credit card statements
  - Paycheck stubs if your club fees are automatically deducted from that account
- Receipts or statements should include the name of the family member enrolled in the club and the individual charges for a full reimbursement of health club fees.
- The dollar amount you receive may be considered taxable income. Consult your tax advisor about how to treat this reimbursement on your taxes.

Be sure to talk with your doctor before starting an exercise program.
