

**ANNUAL TOWN MEETING
MONDAY, MAY 8, 2017**

The Annual Town Meeting was called to order by Moderator William A. Gouveia at 8:16 p.m. at the Norton High School Gymnasium.

The meeting originally scheduled to be held in the Auditorium was opened in the Auditorium by Deputy Moderator Cynthia M. Gouveia who was appointed by Moderator William A. Gouveia and adjourned into the Gymnasium.

Moderator Gouveia reviewed some pre-meeting rules:

1. I ask everyone to please find a seat for this meeting. Standing in the back and on the sides creates problems both on a noise level and in counting standing votes. There are plenty of seats, please find one.
2. If you are not a registered voter in the Town of Norton, you are welcome to visit but must sit in the section of seats marked in the rear to my right. If you are a registered voter, please sit anywhere else, because your vote will not be counted if you are sitting in the non-voting section.
3. If you wish to address this meeting, you must do so only after being recognized by the Moderator. There are two microphones located up front here. Please move to one of those if you wish to speak and wait to be recognized. When speaking, please identify yourself by name and address for the record. Please try and keep your remarks brief and to the point, and confine them only to the matter under consideration at the time.
4. All speakers at this meeting will be treated with courtesy by the Moderator and everyone else in the room. No speaker will be allowed to use the meeting for personal attacks on any individual. All remarks will be directed towards the Moderator, and while I will allow questions to be asked of individuals, I will not allow cross-examination type discussions from the floor
5. In recognizing people to speak, I will endeavor to call upon those who have not yet spoken on a topic before recognizing those who have already spoken. I will recognize motions to move the question, but if in my opinion there are still people waiting to speak who may add to the discussion, I will exercise my authority to not accept a motion to move the question under those circumstances.
6. If a standing vote is required, you will be instructed to stand at your seats until your vote is counted. If a ballot vote is required, you will be given instructions by the Moderator as to how to proceed.
7. If you wish to make an amendment to any motion, you must do so in writing and present it to the moderator. Please prepare your amendment in writing and bring it to me up here. If you are

moving an article that has not been recommended and moved by the Finance Committee, you must also present that motion to the Town Clerk in writing.

8. I remind you all that no motion to reconsider any article will be accepted by the Moderator until at least three articles following the article being reconsidered have been acted upon by this meeting. If the article is one of the last three on the warrant, I will accept any motions to reconsider them at any time prior to adjourning. Please be aware that any article you act upon tonight can be reconsidered as few as three articles later, so keep that in mind before you rush out after your article. There may be requests this evening to allow non-voters to speak on certain articles. This must be done by a motion voted upon by this meeting. While it is the right and the decision of the meeting to allow or not allow non-residents to speak, please keep in mind they may have information to add to the discussion. All non-voters must approach the moderator if they wish to be heard.

Town Clerk Lucia B. Longhurst read the call and return of service from the Constable as written in the Warrant.

ARTICLE 2 (Majority)

Motion was made by Michael Fiore that the Town vote to authorize the Board of Selectmen to accept and enter into contracts for the expenditure of any funds allotted, or to be allotted, by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads, and appropriate such sum or sums so allotted by the Commonwealth for the purpose of road and other municipal improvements within the Town of Norton which are eligible for reimbursement, subject to conditions detailed by the Massachusetts Department of Transportation, pursuant to Massachusetts General Laws Chapter 90.
