- I. Call to Order** - Wayne Southworth called the meeting to order at 1 PM.
- II. Review Minutes of April 7, 2011** - Fowler/Shirley moved to accept the minutes of April 7, 2011 with the following correction (Shirlen to be corrected to read Shirley).  
VOTED

- III. Open Space Map & Greenbelt Update** - nothing to report at this time.

- IV. CRAAC Educational Outreach Kiosk Discussion** - Letters have gone out to the Board of Selectmen and libraries in each of the towns within the CRAAC regarding the location of the kiosk over the next year.

- V. EPA Grant Application** - Edwards: have done some research on a digital type kiosk; (one estimate received \$8,600); this would be a kiosk that would be linked to our website; have sent a letter of interest in for an EPA grant; presented a two page summary of the project; will know by May 16<sup>th</sup>; will have to complete the full summary which is due by the middle of next month; there are a couple of criteria that has to be met – 1) target population and 2) what target programs are; if we do not get the grant, would not spend this kind of money.

Highlights of discussion: Flynn – have checked with the Southeastern Regional School and they are overloaded with projects; at this point not locked into any style time; electronic display is easier to keep up to date; need a kiosk that is pretty mobile; grant application should mention area abuts ACEC and bordering watersheds.

Southworth thanked Carlino and Edwards for their work on the grant application.

- VI. Photo Presentation – Jen Carlino** - Southworth introduced our own member, Ms. Jen Carlino, who will make a presentation of her photographs taken within this aquifer and the community. Along with the beautiful photographs of the natural areas within the aquifer, she finished with some amazing pictures taken with an underwater camera.
