Motion made to accept minutes for February 4, 2013 as read by Joe McFarland, motion seconded by Colleen Ryan.

Motion made to accept minutes of March 4, 2013 as read by Colleen Ryan, motion seconded by Dave Lennon.

Dave requested that everyone check with Town Clerk to be sure the problem with the Conflict of Interest Law was resolved.

Colleen will write another letter to have published in the papers on the Top 10 Tips to preserve our water bodies and submit to the **Buzz, Sun Chronicle, Patch and Mirror**.

Dave suggested one should be done on evasive weeds, then stress that everyone must wear a lifejacket until Memorial Day because the water is so cold.

Joe McFarland said the Scouts were up to the pump station and it is a mess, they want to put up a kiosk there. Dave said we need to find out who owns the land in order to get permission. Scouts need copies of the signage to use for kiosks.

Dave informed the committee that funding is not on Town Meeting Agenda. We need to speak to selectmen again. He also reminded the committee that we need a contact at Wheaton College. Dave suggested that we plan another water trip on the Reservoir soon as weeds are emerging.

Next meeting will be held on May 6, 2013, at which time we will discuss scheduling one meeting only and on the 3rd Monday of the month instead of the first.

Dave wants to discuss setting up a table at the Founders Day Picnic with information regarding the Water Bodies.

Dave reminded the committee that the 2nd annual Keep Norton Beautiful Day is April 27. Contact Norton Community Task Force to sign up at the VFW and pick up bags and supplies.
