OPEN SESSION for topics nor reasonable anticipated 48 hours in advance.

Patrick asked when the treatments can be done for the new year. Dave told him that a survey has to be done first.

The spring survey is to check for new growth, when results are in then the treatments get scheduled.

The Year End report from ESS reported seeing a new evasive weed, swollen bladder wart was found, per p.35 that needs to be watched.

Dave Lennon reported that there is access problems on Chartley making it difficult to reach some areas with the boats. He asked Janet about access points and she said that ESS can use her land for necessary access.

Next Meeting will be January 15
