MINUTES

Meeting of October 21, 2014

The October 21, 2014 scheduled meeting of the Zoning Board of Appeals was called to order at 7:33 pm in the 2nd floor conference room, Norton Town Hall by Tom Noel, Chairman, with the following members present, Nitin Choksi & Frank Reynolds, Associate Member. Also present was Jennifer Carlino, Conservation Agent and Mike Yunits, Town Manager. The issue discussed this evening:

SRPEDD DLTA Grant for Rules and Regulations of Comprehensive Permits.

SRPEDD representative did not attend as members had decided to save the remaining time under the SRPEDD grant for Mr. King to work with later draft and present it to DHCD.

The group reviewed the latest round of draft 40(B) proposed rules and regulations, including suggested edits from all involved.

All collaborated on further edits to be made to the document, which Ms. Carlino volunteered to record for further distribution to the committee.

The group discussed setting a new meeting date and whether the project could be completed by the end of the year.

Frank Reynolds made a motion, seconded by Nitin Choksi, to adjourn and to continue the meeting to November 18, 2014. Approved.

Minutes Approved by Committee on: April 27, 2015.

Respectfully submitted,

Thomas R. Noel,
